

Purple Walk 2 Hrs

- From the Pub Gravel car park turn left up the hill (Hollow Lane) for 200 yards
- At the top turn left into The Street walk to the end past the Methodist church to your right.
- At the end of the street turn right into Place lane then an immediate left into Warren lane.
- Walk up Warren lane over the motorway; you will see a small gravel car park on your left, opposite this is the gate into Potters wood.
- Enter Potters wood and follow the path to the right, follow this path keeping right until you run parallel to Yaughar Lane, keep following the wooded path through the small gate, this leads onto the cross rd between Matts Hill Rd & Yaughar Lane
- Turn right into Matts Hill Rd.
- Just after the cross rd go through the swing gate to your left into what is known as the Western Queen Down Warren. This area is fully enclosed and is safe to allow dogs of leads.
- Follow the path to the right to the next swing gate past an old flint quarry, go through the gate into the second enclosed field and follow the path keeping right up an incline to another swing gate.
- Go through the swing gate and turn left onto an old bridal way follow this bridal way down the hill to another swing gate on the left at the bottom. This bridal way is quite uneven underfoot.
- Go through the gate to your left (safe to allow dogs off leads) follow the path keeping right until you reach a swing gate, go through the gate and the gate on the opposite side of the lane. Please be aware there may be grazing animals at certain times of the year signage on the gates will indicate this.
- Follow the paths keep right to a wooden swing gate go through the gate and turn right down the hill to a second wooden gate.
- Go through the gate and follow the path opposite to a swing gate, these next two fields are fully enclosed and safe to let dogs off leads. Keep right Follow the path straight ahead to a gate, go through the gate and keep right following the tree line.
- When you reach a swing gate go through across Cradle Rd and through a swing gate keep right and follow the path round the field past a swing gate to a second gate at the bottom of the field.
- Go through the gate back across Cradle Rd and then through the gate opposite, follow the path diagonally across the field through the gate and back onto the rd.
- Turn right and follow the rd under the motorway where it bears right, follow it around and back into the village where you will see the pub on the left.
